

Trap Club  
"a non-profit organization"

### **4th grade thru high school**

The Clay Crusaders Trap Club is a youth based development program under the organization CYSSA, (California Youth Shooting Sports Association – [www.shootcyssa.com](http://www.shootcyssa.com)). We foster participation in the fundamentals of trap to provide our athletes with a positive, life enhancing experience that is designed to instill in them a set of personal values or character traits that teaches fair play, individual responsibility, sportsmanship, and self-discipline. Our activities are designed to incorporate two indispensable elements, SAFETY and FUN!!

Athletes are encouraged to set goals for improving their skills and contribute to the team, including fundraising. Honoring the game, exhibiting good sportsmanship, and being a responsible team member are the primary values we strive to instill.

Join a club with trained and dedicated coaches, (over 6 years of experience), and committed volunteers.
