

# Contract for Participation

with

**Eich Middle School**

**Athletic Teams**

It is understood that, while the student is participating on an Eich team, during that same season he / she cannot participate in any other league of the same sport at the same time. There are no exceptions to this rule.

We have read the Eich Athlete Sports Handbook, found at the link below, and by our signatures we agree to uphold the information and display good sportsmanship toward all involved.
