Our first STUDENTS OF THE MONTH Lunch- Inquirers!!!

Good afternoon, Eich Community. We are moving at a very fast pace this year as usual around Eich. We just finished our first Students of the Month Lunch, our 8th graders are already working on their IB Community Projects, we have hosted Parent Information Nights for Destination Imagination, Cross Country and Science Camp and our Math and Science Olympiad clubs are getting ready to take off. It's what we do at Eich.

Please note that we do not have school this Friday, September 13th. It is a Professional Development day for staff.

Eich Weekly Schedule At a Glance...

THURSDAY 9/19/19 FROM
3:30-4:30 IF INTERESTED!

IB COMMUNITY PROJECT MESSAGE

Dear Eich families,

I'm Nova Roden, an 8th grade student at Eich Middle School. Currently, I am working on my community service project for school and Girl Scouts. For my project, I intend to create a sustainable board game space at Eich to improve social interaction among students in a less judgmental environment. I am looking to collect donations to use towards buying games for this area. I am also collecting any board or card games that your family is willing to give to benefit Eich students. Not only will this project increase socialization, but it will allow for peers who may never have interacted otherwise to become friends over similar interests. Hopefully, with more people realizing that they have things in common with others they would normally stereotype, student's views will be changed, positively affecting our school, the community, and their lives. I am looking to collect donations before the end of August, and would greatly appreciate any type of contribution you can make to help this project come to life!

Any money donations can be made through the following Go-Fund-Me campaign, and any available board games are being graciously accepted in the school library. Every little donation helps, and I look forward to seeing what an impact this project will make on our community.

With much gratitude,

Nova Roden, Eich Student

EAGLE SCOUT PROJECT FROM NIKOLAS MICKELSEN
New Benches at EICH!!!

WILDCAT CARING CLOSET

TO CARE FOR OUR FELLOW STUDENTS WITH CLOTHING DONATIONS.

Donations of new or softly used clothing in all sizes to assist with students' needs. All donations can be dropped at the office or in C-5 at any time.

Discretion on items donated is appreciated.

For students in need, please fill out a form in the office or library so that your needs can be met.

Any questions, please contact Espangler@rcsdk8.org.

W. T. EICH MIDDLE SCHOOL

RtI....Oh MY!!

One of the programs we are especially excited about at Eich is our RtI(e) program that focuses on getting kids the support they need to be successful in their classes (Intervention) as well as enrichment opportunities for kids to get an expansion of the classes they take at Eich (Enrichment). We started this program last year and it was integral in helping raise test scores at Eich in EVERY subject and EVERY grade level. Our teachers work incredibly hard to give as much support to kids as possible. And we have 24 other teachers that offer amazing expanded learning opportunities for our students that do not require more support in their ELA/Math classes. This program will start again on August 29th with students being placed in Weekly Intervention and Enrichment classes this Thursday. Be on the lookout for our Enrichment Classes Menu and all that we will continue to offer to our 910 students!!
